#### NOTES TO FINANCIAL STATEMENTS

#### **DECEMBER 31, 2008**

#### **NOTE 1 - ORGANIZATION**

World Parks Endowment is a nonprofit organization organized in the state of New York on May 19, 1989. During 2006, it adopted the doing-business-as name of World Land Trust – US.

World Land Trust – US was established in order to provide funds for conservation of parks and protected areas around the world that are of international importance for the conservation of biological diversity. Its program emphasizes the conservation of private lands, especially through acquisitions of critical sites for conservation. The organization is exempt from income taxes under Section 501 (c)(3) of the Internal Revenue Code. The organization is a public foundation under Section 509(a)(1) of the Internal Revenue Code, Subsection 170(b)(A)(vi).

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

<u>Basis of accounting</u> - The financial statements of the organization have been prepared on the accrual basis of accounting.

Revenue recognition – Unconditional grants and contributions are recognized when the grant or contribution has been awarded. Restricted revenue is classified in the temporarily restricted fund until the provisions of the restriction are satisfied. Unrestricted grants & contributions are recognized in the unrestricted fund when awarded. The organization had no permanently restricted assets in 2008.

<u>Furniture and equipment</u> - Furniture and equipment are recorded at cost. Depreciation is determined by the straight-line method based on an estimated useful life of five or seven years.

<u>Estimates</u> - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### NOTE 3 - LAND

In performing its exempt purpose, the organization may acquire and distribute various land plots in order to facilitate the conservation of those lands. It is not the policy of the organization to own and hold land, therefore the organization does not recognize the income and the distribution of the above land in the financial statements.

#### NOTE 4 - FAIR VALUES OF FINANCIAL INSTRUMENTS

The carrying amounts of financial instruments reported in the statement of financial position approximate fair value because of the short maturities of those instruments.

#### NOTES TO FINANCIAL STATEMENTS

**DECEMBER 31, 2008** 

#### NOTE 5 - CASH AND CASH EQUIVALENTS

Cash and cash equivalents include all monies in banks and highly liquid investments with maturity dates of less than three months. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.

The total cash held by the organization at December 31, 2008, includes \$351,491in monies that are insured by the Securities Investor Protection Corporation up to \$100,000, and is not covered by insurance provided by the federal government. It is the opinion of management that the solvency of the referenced financial institutions is not of particular concern at this time.

#### NOTE 6 - COMMITMENTS AND CONTINGENCIES
